

THIRD GRADE SUMMER READING LIST

Chapter books from the following authors:

Beverly Cleary

Judy Blume

Andrew Clements

Ronald Dahl

Patricia Reilly Giff

Louis Sachar

Laua Ingalla Wilder

Donald Sobol

Any other chapter book that is grade appropriate will be accepted. Choose three chapter books to read for the summer.

Please practice your three digit addition and subtraction facts as well as multiplication tables over the summer. You cannot count on your fingers in third grade! Please practice, practice, practice so you won't start out the year behind.
