2010 7th-grade Summer Reading

Ms. Ratliff
Middle School
English and literature

Please read the following **two** books during the summer. Every seventh grader will be reading the same books this year, so it is imperative that reading is completed prior to the start of school. Graded activities for the books will be assigned when school begins, so please keep both copies of your books. If there are *Great Illustrated Classics* versions for either of these books, **do not read these versions**. These books are abridged and will not prepare you for the activities that we will complete in class.

7th Grade: *Alicia: My Story* by Alicia Appleman-Jurman
Animal Farm by George Orwell

If you have any questions, please email Ms. Ratliff at sratliff@pensacolalms.org.
