Registration Continues

Registration for the 2010-2011 school year continues to improve. We now have a waiting list for grades 7 and 8. If you know of someone interested in attending Little Flower, please have them call the school office for a tour of the school. Remember to have them share that you encouraged them to look at the school.

Besides offering Spanish, technology, library, art, music and PE, we now have a speech therapist from Escambia County.

Little Flower is a wireless campus with Smart Board technology in every classroom. Grants are limited but are available. Also, parish subsidy can help defray the cost by \$800.00 a child if one is a registered member of a Catholic parish.

Scrip

Order Scrip cards on Monday and they are ready to pick up on Thursday or Friday each week. A percentage of money is returned to the school and it will cost you no extra money than what you normally spend on groceries, gas or entertainment.

Some of the cards we have available are: Winn Dixie, Wal-Mart, iTunes, Shell, Red Lobster, Olive Garden, Burger King, Subway, hotels for summer travel and airlines.
